Russian Lashes Course Information

The Eye Love Lashes Russian Volume Eyelash Extensions Training Course is designed to teach you this hugely popular eyelash extension treatment. Russian Volume Lashes (also known as Russian Eyelashes and 2D-6D lashes) originated in Russia and is in high demand in both the USA and Europe. Russian Lashes are a multi-lash layering technique involving adhering synthetic, ultra-fine lashes onto a single natural lash. The main benefit of Russian Volume Lashes is that it gives clients a full, high impact glamorous look with extreme natural looking volume.

The Eye Love Lashes Russian Eyelash Training Course is an excellent follow-on course for anyone who has completed the Eye Love Lashes Classic Eyelash Extension Training Course already (or Eyelash Extensions training with an alternative provider) and has gained experience of delivering individual eyelash extension treatments. This 1-day, One to One, Volume Lash Training Course will help you take your lash application techniques and lash treatments to the next level of volume.

Why choose Eye Love Lashes Training?

The Eye Love Lashes Russian Volume Eyelash Extensions Training Course is one to one, therefore I can cater my teaching method to your learning style. We can go at a pace at which you are comfortable with and without distractions. As an experienced lash artist and trainer, I can pass on my knowledge, skills, hints & tips to you. After the course, you will receive ongoing support free of charge. Eye Love Lashes students will receive a discount code for public liability insurance with ABT, however, the course is recognised by all UK insurers. Eye Love Lashes is not affiliated to a particular brand, therefore you can choose your own products.

Your trainer, Megan Thomas, is an Award Winning Qualified Classic & Russian Lash Artist. Qualified Level 3 Awarded Teacher providing an accredited Classic and Russian Volume Semi Permanent Individual Eyelash Extension Training Course. Eye Love Lashes is Fully Insured.

Russian Training Structure

The Eye Love Lashes Russian Eyelash Training Course course is structured over one day and runs from 9.30 am – 4 pm. You will learn the theory of the treatment firstly, and spend the majority of the day practising your practical skills, with a short break for lunch. Practical is carried out using a professional mannequin training head and then a live model allowing you the maximum time possible during the training day to work upon acquiring and demonstrating the Russian Volume technique.

Please let us know if you can not provide a model so we are able to provide one for the day.

Prerequisites

You must have already completed The Eye Love Lashes Classic Individual Eyelash Extensions Course and have gained experience of delivering individual lash extension treatments, before attending this course. If you have completed equivalent training with another provider, enrolment will be subject to submission of your certificate in Classic Lashes. In order to gain the most from this course, we recommend you must have completed a minimum of 6 months of lashing experience. This will give you the required confidence and ability in your techniques with working with tweezers, isolating an individual eyelash and in picking up/placing your lashes correctly before enrolling onto this course.

Assessment - Home study

You are required to complete up to 10 full sets of Russian Volume Eyelash Extensions. This will be sent to me in photo form. You will need to send one set at a time in order for me to assess your progress, give you feedback and answer any questions you may have. It takes many hours to perfect a good technique and you have to be willing to put the practice time into your work. Scary as it may be the case studies will build your confidence and prepare you for treatments on paying customers.

What qualification will I receive?

When all case studies are passed, you will receive a nationally recognised Diploma Certificate in Russian Volume Eyelash Extensions accredited by Associated Beauty Therapists (ABT). This not only demonstrates your commitment to the training but also allows you to obtain Public Liability insurance so you can start offering treatments to paying clients from home or mobile.

Goody bag to include:

- Russian Volume Tweezer
- Eye Love Lashes Tray of Volume Lashes (Mixed Length Tray)
- Lash treats!
